

Spring umpire training course to be held at Cricket NSW

An umpire training course on the Laws of Cricket will be conducted at Cricket NSW starting on Tuesday 23 November 2010.

The 15 hour training course will be conducted over the following dates:

November 23, 25 and 30 and December 2 and 7. Each session will commence at 6.30pm and conclude no later than 9.30pm.

Those wishing to undertake the NSW Cricket Umpires and Scorers Association Examination on the Laws of Cricket, in order to receive a recognised cricket umpiring qualification, can do so on December 9.

Accredited Cricket Umpire Trainers will facilitate this course which is aimed at recruiting prospective umpires for various competitions, including the Sydney Cricket Association Shires Competition.

Umpiring is a great way to stay involved in the game, as many will tell you "it is the best seat in the house!"

Umpires who officiate in the Sydney Cricket Association Shires Competition are remunerated for their service, an amount which well and truly covers any expenses incurred.

If you have ever considered continuing your involvement in cricket as an umpire, then this training course is for you.

It is also ideal for coaches, team managers, administrators, and even players who may just want to learn more about the Laws of the Game that they play and love.

If you would like to register for this umpire training course then please contact the Education and Development Manager (Umpires) at Cricket NSW on Darren.Goodger@cricketnsw.com.au or 0418 615 355. Similarly, you may complete and return the course registration form which appears on the following page.
